

Recommendations for Creating LGBTQ+ Positive Spaces

1. Develops programming and services specifically for LGBTQ+ newcomers and their families, such as drop-in support groups, peer-led community development projects and arts-based activities.
 - Area of strength
 - Need for improvement
2. Supports LGBTQ+ newcomers who want to initiate or are initiating their own projects and groups.
 - Area of strength
 - Need for improvement
3. Provides staff support, materials, and space in the organization.
 - Area of strength
 - Need for improvement
4. Trains staff to accompany, support and advocate for LGBTQ+ newcomers when dealing with the Immigration and Refugee Board and navigating the immigration system.
 - Area of strength
 - Need for improvement
5. Has mental health services with staff trained to address trauma due to the intersections of homophobia, heterosexism, biphobia, and transphobia with immigration.
 - Area of strength
 - Need for improvement
6. Ensures that all programs and services are inclusive of LGBTQ+ people. For example, the organization has ESL curriculum that deals with family life including LGBTQ+ families, or provides information sessions on same sex partner sponsorship.
 - Area of strength
 - Need for improvement
7. Provides LGBTQ+ positive employment services and ensures that staff and service users are aware of employment rights and discrimination specifically concerning LGBTQ+ newcomers.
 - Area of strength
 - Need for improvement

8. Provides housing referral services with information on tenant rights as well as support in finding housing that is LGBTQ+ positive.
 - Area of strength
 - Need for improvement

9. Creates and enforces formal policy that all agencies who work with the organization must be LGBTQ+ newcomer positive and make a commitment to creating safer spaces.
 - Area of strength
 - Need for improvement

10. Hires LGBTQ+ newcomers and allies that understand and can support the complex needs of the population.
 - Area of strength
 - Need for improvement

11. Includes LGBTQ+ programming and events in organizational email list serves and bulletin boards about community information.
 - Area of strength
 - Need for improvement

12. Refers LGBTQ+ newcomers to legal services in the community that understand the complex needs of LGBTQ+ newcomers. If there is no such legal support available in the community, provides training and ongoing support to lawyers working with LGBTQ+ newcomers to understand the issues that they face.
 - Area of strength
 - Need for improvement

13. Commits to recognizing and addressing homophobia, biphobia, transphobia, heterosexism, and cissexism in service development, strategic planning, program creation and funding allocation.
 - Area of strength
 - Need for improvement

14. Sets up multiple ways in which complaints can be made, including the ability to make anonymous complaints.
 - Area of strength
 - Need for improvement

15. Holds mandatory anti-oppression trainings that include strong components on homophobia, biphobia, transphobia, heterosexism, and cissexism each year for all staff, management, board and volunteers.
- Area of strength
 - Need for improvement
